ARMADEX

Ex UniCase
ATEX/IECEx Tablet

ATEX / IECEx certified for **Zone 2 / 22**

Universal UniCase certified enclosure

Samsung Galaxy Tab A11+, 11-inch platform

Storage options: **128 GB / 256 GB / 512 GB**

Full access to buttons, cameras, audio and USB-C

Impact-resistant enclosure and screen

Modular inlay system, **upgrade-ready**

Galaxy Tab A11+

The Ex UniCase Galaxy Tab A11+ is a certified tablet solution designed for use in ATEX and IECEx Zone 2 and Zone 22 hazardous environments. It integrates the Galaxy Tab A11+ platform into a durable, explosion-protected UniCase enclosure suitable for industrial applications.

The UniCase housing provides reliable mechanical protection while preserving full device functionality. Buttons, cameras, audio components, and the USB-C port remain fully usable, ensuring uninterrupted operation in the field.

The system complies with Directive 2014/34/EU and applicable ATEX and IECEx standards. Thanks to the modular UniCase concept, the tablet can be replaced or upgraded without changing the certified enclosure, supporting long-term deployment and flexibility.

Explosion Safety Specifications – ATEX and IECEx	
ATEX Zones	Zone 2 (Gas) and Zone 22 (Dust)
EU Directive	2014/34/EU (ATEX 114)
